

CATERING, LARGE ORDERS, AND SPECIAL EVENTS

CRAFTING WOW EXPERIENCES!

Noble Roman's Catering & Special Events Division is dedicated to creating a "WOW" experience for the service areas of all our Craft Pizza & Pub locations.

- Catered Services to Your Event
- Large Carry-Out Orders
- Fundraising Programs
- Business Meetings & Team Building
- In-Restaurant Events
- Space Rentals and Pre-Orders

WHY NOBLE ROMAN'S CRAFT PIZZA & PUB LOCATIONS ARE YOUR BEST OPTION:

- We offer deliciously addictive pizza and breadsticks along with baked sandwiches, wings, salads, and an array of side items that complete the ultimate food experience.
- For offsite catering over \$100 we can deliver the order and set it up to exceed your satisfaction*.
*(*Based on availability and location to restaurant)*
- For onsite events we will work with you to create a safe and convenient environment to exceed your satisfaction.

A CUSTOMIZED EXPERIENCE FOR ANY EVENT, BIG OR SMALL.

From an office meeting for 10 to a corporate conference of hundreds, we can construct a menu for virtually any occasion and dietary preference.

READ WHAT SOME OF OUR CLIENTS SAY:

"Noble Roman's catering has been fabulous for our team. Their pizza, wings, sandwiches, and salads are a treat – not just ordering pizza, and customer service has been top notch"

- Jodi Becker, General Manager, Eastern Engineering Supply

"During these uncertain times of COVID-19, Noble Roman's Craft Pizza & Pub assisted my efforts to keep our employees safe. They provided a wonderful variety of boxed or individual lunches for our essential workers here at EnerDel, Inc. They were my go-to for at least 8 weeks. I placed catering orders with them two or three times a week because there was such a variety of hot lunches. The employees loved the pasta dishes, the warm sandwiches along with individual pizzas on most Fridays. I would highly recommend Noble Roman's Craft Pizza & Pub. And I also give them kudos for getting creative and thinking outside the box!

- Janel McCormick, Executive Assistant - EnerDel, Inc.
